Hi there,

Race day is getting closer which also means your taper week is closer than ever!

We have made some changes to the 100 Mile course and you can view the updated maps **here**. There is now an extra aid station, Puhipuhi, at 82.1km and the Wihapi aid station has moved back to 71.9km.

To help with your planning, make sure you have downloaded the latest version of the Tarawera Ultramarathon app. It has the full event schedule, course maps and other key event information you need ahead of arriving in Rotorua.

Paul and I will also be hosting a Facebook Live on Tuesday 28 January from 7:30pm (NZT) with updates about the courses & answer any last minute questions you might have. If you can't tune in live, the video will be on our Facebook page for you to watch whenever you can.

Happy running & we look forward to seeing you soon.

Tim Day, Race Director
